

**SEASON XIV
LIVE AUDITIONS
INFORMATION & FAQs**

What is the registration process this season?

The registration process for Live Auditions will be different from last season because for Season XIV, registration and auditions will take place **ON THE SAME DAY**. You can come to the venue and register beginning on the morning of the audition day. Remember, if you wait until the end of audition day to register, you will be one of the last people to register and we may run out of space or time to accommodate you. **THERE WILL BE NO OVERNIGHT CAMPING ALLOWED INSIDE OR OUTSIDE ANY OF THE VENUES.** Once you have registered, you will be given a wristband and a seating ticket and asked to wait for your audition. Registering in any particular city registers you for **THAT CITY ONLY**. Registration does **NOT** guarantee you the opportunity to audition. Continue to check our website www.americanidol.com DAILY for audition times and further information.

Where and when will the auditions be held?

We are currently scheduled to visit the cities listed below. At some venues, you may be able to register **EARLY** on the morning of the audition, but if you wait until late in the day on audition day to register, there is no guarantee that we will have space or time to accommodate you. We will post the hours for registration and auditions as they become available. Remember, auditions take place rain or shine! Be sure to visit our website at www.americanidol.com DAILY for updated information.

Please do not arrive any earlier than the dates instructed. Check the website DAILY to see if there is any new information for the city where you plan to audition. There will be updated information for each city as we get closer to the audition date for that city. We will have plenty of time to issue wristbands and seat tickets to those who will attend the auditions.

What do we need to bring to registration and what will happen?

When you arrive at the venue on audition day to register, you **MUST** have two forms of ID that show proof of your age and a photograph (for example, a birth certificate and driver's license or a birth certificate and a passport or a birth certificate and a school ID card) to obtain a wristband and a ticket if you plan to have an opportunity to audition (please see Audition Rules for more details). After showing proper ID, you will be given a wristband and a seat ticket (provided there are still some available for that venue). You will be allowed to have one (1) person accompany you to the audition; however, **THAT PERSON MUST ALSO BE PRESENT WITH YOU DURING REGISTRATION SO THAT WE CAN ISSUE THEM A SEAT TICKET AND WRISTBAND.** Remember, if you wait until late in the day on audition day to register, you will be one of the last people to register, and we may run out of space or time to accommodate you.

NO CHILDREN UNDER THE AGE OF 5 YEARS ARE ALLOWED AT THE AUDITION VENUES.

What happens after I receive my wristband and seat ticket on audition day?

First of all, **DO NOT REMOVE YOUR WRISTBAND.** REMOVING YOUR WRISTBAND MAKES IT NULL AND VOID. Once you have your wristband and seat ticket, you will be free to leave the venue, but you and your one guest (if applicable) will need to return to audition at the instructed time with your wristbands and seat tickets.

What if I lose my wristband or seat ticket before the audition?

DON'T LOSE THEM. YOU MUST HAVE YOUR WRISTBAND AND SEAT TICKET IN ORDER TO AUDITION. If you lose your ticket or wristband, you may be issued another one if space is available, but you will be at the end of the line for auditions -- **NO EXCEPTIONS.**

Can I pick up a wristband and seat ticket for someone else?

No. If you plan on having a friend or family member with you when you audition, your friend or family member **MUST** come with you to registration in order to get a wristband and seat ticket. **THERE IS NO CHARGE FOR THE SEAT TICKETS OR WRISTBANDS AND THEY ARE NOT FOR SALE.** IF SOMEONE APPROACHES YOU TRYING TO BUY OR SELL A SEAT TICKET AND/OR WRISTBAND, PLEASE ADVISE A MEMBER OF PRODUCER'S STAFF IMMEDIATELY.

Does my parent need to accompany me if I'm under 18?

If you are under 18 when you register, a parent or legal guardian **MUST** be with you during registration to get a wristband and ticket. Your parent or legal guardian **MUST** bring a photo ID (for example, a driver's license or passport). In addition to their photo ID, if you are accompanied by a legal guardian, as opposed to a parent, your legal guardian **MUST** bring legal documentation evidencing their relationship with you (for example, a court order). The same parent or legal guardian **MUST** accompany you to both registration and your audition.

What if my parent or legal guardian is not available for registration and/or my audition?

If your parent or legal guardian is not available to accompany you to registration and your audition, your parent or legal guardian may appoint a guardian for the registration and your audition by completing the Guardianship and Medical Authorization for Minors form, which can be printed out at www.americanidol.com. The appointed guardian **MUST BE 21 YEARS OF AGE OR OLDER.** Please note that the Guardianship and Medical Authorization for Minors form **MUST** be signed and **NOTARIZED** in order to be valid. In addition, if your appointed guardian does not have authority to sign on your behalf, you **MUST** bring the Release signed and **NOTARIZED** by your parent or legal guardian. If you are a minor and arrive at registration or at the audition with someone other than your parent or legal guardian, and (1) you **DO NOT** have both a signed and **NOTARIZED** Guardianship and Medical Authorization for Minors form and a signed and notarized Release, or (2) your appointed guardian is not 21 years of age or older and have appropriate ID, you will be asked to leave the venue. You will not be permitted to audition unless and until you are able to fulfill all of the registration requirements. **AGAIN, THE SAME PARENT OR GUARDIAN MUST ACCOMPANY YOU TO REGISTRATION AND YOUR AUDITION.**

What do I do on audition day?

Once you have your wristband and ticket, you and your one guest (which must be your parent or guardian if you are a minor) will need to return at the appointed time for your audition. At that time, you must bring your **wristband, ticket, signed Release** (which can be printed out from the website at www.americanidol.com) and the **two forms of ID** that you used to register – yes, you will need to show them again. If you lose your ticket or wristband, you will go to the end of the line, so don't lose them – **NO EXCEPTIONS**. If your birth certificate was not issued in the United States, you should bring proof of your citizenship and/or permanent U.S. residency (for example, green card or naturalization papers). If you are under 18 years of age, you **MUST** bring your parent or guardian. Your parent and/or guardian must have a wristband and seat ticket, along with a photo ID (for example, a driver's license). If you bring a legal guardian (as opposed to a parent), your legal guardian **MUST** bring proof of guardianship (e.g., court order) in addition to the photo ID. If your parent or legal guardian appoints a guardian for purposes of the registration and audition, your appointed guardian must bring a completed, signed and notarized Guardianship and Medical Authorization for Minors form in addition to the photo ID and the Release signed and NOTARIZED by your parent or legal guardian. The auditions likely will begin sometime around 8:00 a.m. Audition start and/or finish times are at the discretion of the Producer. You will need to be in your assigned seat at the appointed time.

How long do the open auditions last in each city?

Each city may be different, and audition rules may change at the Producer's discretion. Keep checking our website at www.americanidol.com for details. The current plan is that those who make it through the first and second round of open auditions in each city will be asked to return for subsequent rounds. This may take several days, so be prepared.

Will everyone who registers have the opportunity to audition?

This will depend on how many people register for the auditions. Although we would love to audition everyone who registers, it may be impossible given time constraints built into our schedule. There is no guarantee that everyone who registers will be given the opportunity to audition. If our time is running short, the Producer may walk around the venue to pick out people to audition (regardless of how early they registered or their seat numbers) based on performing ability, look, style, personality and other factors, at Producer's sole discretion.

What happens if I am not present when my time to audition is called?

We will give you complete instructions at the time we pass out the wristbands. If you are not present when your time to audition is called, you may not have another chance to audition. Unfortunately, because we are expecting a large turnout to the auditions, even if you do show up early in the day, we cannot guarantee that you will be seen. You should arrive at the auditions as early as allowed at the audition venue you choose to attend, keeping in mind that some venues may prevent you from lining up before 5:00 a.m. Our advice: **BE ON TIME ALL THE TIME AND DO NOT LEAVE THE VENUE UNTIL AFTER YOUR AUDITION**. Continue checking our website at www.americanidol.com DAILY for audition details.

Are auditions by appointment or is it "cattle call" style?

Auditions for the first round are not by appointment. All contestants in each city will appear at the same designated place and time as instructed by the Producers. Producer may, at its sole and absolute discretion, select any eligible person to advance further in the audition process and/or participate in the competition regardless of whether the eligible person has attended any of the audition cities listed above or auditioned in any other manner available (e.g., social media auditions, online auditions, bus tour).

Do you charge for the auditions, wristbands or tickets?

No. Auditions are free. Wristbands and tickets are free. You just have to be physically present to get one and you cannot audition without them.

Is there a charge for parking at the venue(s)?

There will be a charge for parking at each venue. The parking fees are set and collected by the venue managers. We have nothing to do with the parking fees or facilities. It is highly likely that you will have to pay for parking each time you come in and out of the parking structure. For example, if you leave the parking structure to go out and purchase food and then return, you will probably have to pay again.

Will there be anywhere to purchase food and drinks while in line at the audition venues?

We are hoping that food and drinks will be available for purchase at the venues during the line-up. Keep checking our website at www.americanidol.com DAILY for further details. Please be sure to eat something prior to coming to the auditions. It would also be a good idea to bring some bottled water with you to the line on audition days; however, you should be aware that you may not be able to bring the water into the venue. While concessions may be available inside the venues, it is important to eat before you get in line and stay hydrated while you're in line in order to keep your energy level up. Remember, breakfast is the most important meal of the day and this could be the most important audition of your life!

Where do I get the release form and where do I send it once it has been completed?

You can obtain the Release form from our website at www.americanidol.com. You should bring the SIGNED Release form (and your ID) with you and make sure that it is filled out and signed BEFORE you arrive at the audition, as only a limited number of forms will be available at the audition sites. Remember, if you are a minor, you and your parent or legal guardian MUST sign the release form as well. If you attend the audition with an appointed guardian who does not have the authority to sign on your behalf, you MUST have the Release signed and NOTARIZED by your parent or legal guardian and bring the signed and notarized form with you to the audition.

Can I audition in more than one city?

You are welcome to attend auditions in more than one city; however, you should be aware that the audition process and the number of people we see in each city may be different. **Audition cities are subject to change or cancellation at any time, please check the website for the most current information.** You can also audition for American Idol via the Social Media Auditions, Online Auditions, or Bus Tour Auditions, for which further information is available at www.americanidol.com.

Can I bring my friends or family members to the audition?

People who are auditioning may bring **ONLY ONE FRIEND OR FAMILY MEMBER** with them into the interior of the audition venue. In order to be allowed in the audition venue, that friend or family member MUST come with you to registration in order to obtain their wristband and seat ticket. If you are under 18 years old on the audition day, you MUST bring your parent or guardian with you to the audition. Your parent or guardian must have attended registration with you in order to obtain their wristband and seat ticket. The parent or guardian will be the only person allowed to accompany a minor at the audition. **No children under the age of 5 years are allowed at the audition venues.**

I'm under 18. If my parent signs the release form, does he or she have to come with me to the audition?

YES, unless your parent or legal guardian has (i) appointed a guardian 21 years of age or older for purposes of the registration and audition process by completing, signing and having notarized a Guardianship and Medical Authorization for Minors form and (ii) signed and had notarized the Release form. The Guardianship and Medical Authorization for Minors form can be printed from the website at www.americanidol.com. If you are under 18, your parent or guardian MUST be with you at all times while at registration and your audition.

Can I bring a musical instrument with me to the first round of auditions?

You may use a musical instrument (e.g., a guitar) during the local city auditions. Use of musical instruments may or may not be allowed later in the audition process. You may, of course, use it privately during your free time.

If I have a manager for anything entertainment-related or a contract for my performing services, can I still audition?

If you proceed beyond the auditions and/or are selected to participate in the American Idol® competition (currently scheduled to begin in October, November or December 2014), you MUST be able to demonstrate to the satisfaction of the Producer at that time that you do not have any of the following agreements in effect (written or oral):

- a music recording contract;
- an agreement relating to the use of your name, voice and/or likeness;
- an exclusive acting contract; and/or
- any other contractual arrangement that, in Producer's sole discretion, would prohibit you from fully participating in the show and/or entering into any contracts required by Producer, including, but not limited to, an exclusive recording contract or merchandising contract.

If Producer invites you to participate in the competition (currently scheduled to begin October, November or December, 2014), and if you are party to a contract for talent representation (for example, a talent agent or manager), you **MUST** be able to demonstrate to the satisfaction of Producer the following:

- such contract commenced on or before April 1, 2014;
- the talent representative has signed a waiver of management or agency rights lasting the entire duration of your participation in the competition through and including the finale and extending to any subsequent publicity relating to the Program, your services for the American Idols Live Tour and, for management, any recording in connection with LP1 prize of the Program (if your talent representative is also your Parent/Guardian, the talent representative must still sign the waiver of management rights). Producer will provide you with the form waiver to be signed by your manager and/or agent.
